Polypores from Altay and Tian Mts. in Xinjiang, northwest China

DAI Y.-C., WEI Y.-L., YUAN H. S., HUANG M. Y. & PENZINA T. 2007. — Polypores from Altay and Tian Mts. in Xinjiang, northwest China. *Cryptogamie, Mycologie* 28 (4): 269-279.

Notes on polypores from Gansu and Qinghai Province, Northwest China

DAI Y.-C., CUI B.-K. & YUAN H. S. 2007. — Notes on polypores from Gansu and Qinghai Province, Northwest China. *Cryptogamie, Mycologie* 28 (3): 177-187.

Fungal Biodiversity Profiles 1-10

ADAMČÍK S., CAI L., CHAKRABORTY D., CHEN X.-H., COTTER H. V. T., DAI D.-Q., DAI Y.-C., DAS K., DENG C., GHOBAD-NEJHAD M., HYDE K. D., LANGER E., LATHA K. P. D., LIU F., LIU S.-L., LIU T., LV W., LV S.-X., MACHADO A. R., PINHO D. B., PEREIRA O. L., PRASHER I. B., ROSADO A. W. C., QIN J., QIN W.-M., VERMA R. K., WANG Q., YANG Z.-L., YU X.-D., ZHOU L.-W. & BUYCK B. 2015. — Fungal Biodiversity Profiles 1-10. *Cryptogamie, Mycologie* 36 (2): 121-166. <https://doi.org/10.7872/crym/v36.iss2.2015.121>

Morphological and molecular identification of two new species of *Hyphodontia* (Schizoporaceae, Hymenochaetales) from southern China

ZHAO C.-L., CUI B.-K. & DAI Y.-C. 2014. — Morphological and molecular identification of two new species of *Hyphodontia* (Schizoporaceae, Hymenochaetales) from southern China. *Cryptogamie, Mycologie* 35 (1): 87-97. <https://doi.org/10.7872/crym.v35.iss1.2014.87>

Wood-rotting fungi in eastern China 4. Polypores from Dagang Mountains, Jiangxi Province

WANG B., DAI Y.-C., CUI B. K., DU P. & LI H. J. 2009. — Wood-rotting fungi in eastern China 4. Polypores from Dagang Mountains, Jiangxi Province. *Cryptogamie, Mycologie* 30 (3): 233-241.

Polypores from Shennongjia Nature Reserve in Hubei Province, Central China

LI J., XIONG H. X. & DAI Y.-C. 2008. — Polypores from Shennongjia Nature Reserve in Hubei Province, Central China. *Cryptogamie, Mycologie* 29 (3): 267-277.

A new species of *Inonotus* (Basidiomycota, Hymenochaetaceae) from China

XIONG H. X. & DAI Y.-C. 2008. — A new species of *Inonotus* (Basidiomycota, Hymenochaetaceae) from China. *Cryptogamie, Mycologie* 29 (3): 279-283.

***Antrodiella stipitata* sp. nov. from Heilongjiang Province, northeast China, and a critical checklist of polypores from the area**

YUAN H. S., LI J., HUANG M. Y. & DAI Y.-C. 2006. — *Antrodiella stipitata* sp. nov. from Heilongjiang Province, northeast China, and a critical checklist of polypores from the area. *Cryptogamie, Mycologie* 27 (1): 21-29.
