Papers in honour of Patsy A. McLaughlin

LEMAITRE R. & CROSNIER A. (eds) 2006. — Papers in honour of Patsy A. McLaughlin/Papers in honour of Patsy A. McLaughlin. *Zoosystema*, vol. 28 (2), arts 10-37.

Articles

Discovery of a new micro-pagurid fauna (Crustacea: Decapoda: Paguridae) in the Lesser Antilles, Caribbean Sea

LEMAITRE R., FELDER D. L. & POUPIN J. 2017. — Discovery of a new micro-pagurid fauna (Crustacea: Decapoda: Paguridae) in the Lesser Antilles, Caribbean Sea. *Zoosystema* 39 (2): 151-195. <https://doi.org/10.5252/z2017n2a1>

A new species of the hermit crab genus *Michelopagurus* McLaughlin, 1997 (Crustacea: Decapoda: Paguridae) from Moorea, French Polynesia

LEMAITRE R. 2015. — A new species of the hermit crab genus *Michelopagurus* McLaughlin, 1997 (Crustacea: Decapoda: Paguridae) from Moorea, French Polynesia. *Zoosystema* 37 (2): 363-370. <https://doi.org/10.5252/z2015n2a5>

Two new species of Parapaguridae (Crustacea, Decapoda, Anomura, Paguroidea) with subconical corneas, and new data on biology of some rare species

LEMAITRE R. 2006. — Two new species of Parapaguridae (Crustacea, Decapoda, Anomura, Paguroidea) with subconical corneas, and new data on biology of some rare species, in LEMAITRE R. & CROSNIER A. (eds), Papers in honour of Patsy A. McLaughlin. *Zoosystema* 28 (2): 517-532.

Avant-propos

LEMAITRE R. & CROSNIER A. 2006. — Avant-propos/Foreword, in LEMAITRE R. & CROSNIER A. (eds), Papers in honour of Patsy A. McLaughlin. *Zoosystema* 28 (2): 273-275.

Revisiting *Tylaspis anomala* Henderson, 1885 (Parapaguridae), with comments on its relationships and evolution

LEMAITRE R. 1998. — Revisiting *Tylaspis anomala* Henderson, 1885 (Parapaguridae), with comments on its relationships and evolution, in MACPHERSON E., LEMAITRE R., RICHER DE FORGES B. & MANNING R. B. (eds), Papers in honour of Alain Crosnier. *Zoosystema* 20 (2): 289-305.

A new species of hermit crab of the family Parapaguridae (Decapoda, Anomura) from French Polynesia

LEMAITRE R. 1998. — A new species of hermit crab of the family Parapaguridae (Decapoda, Anomura) from French Polynesia. *Zoosystema* 20 (1): 101-107.

Porcellanid crabs from Guadeloupe Island (Crustacea, Decapoda, Anomura), with an updated list of species from the Lesser Antilles

POUPIN J. & LEMAITRE R. 2014. — Porcellanid crabs from Guadeloupe Island (Crustacea, Decapoda, Anomura), with an updated list of species from the Lesser Antilles. *Zoosystema* 36 (1): 5-27. <https://doi.org/10.5252/z2014n1a1>

The discovery of two new species of *Lithopagurus* Provenzano, 1968 (Crustacea, Decapoda, Anomura, Paguroidea, Paguridae) and the first records of the genus in the western Pacific

McLAUGHLIN P. A. & LEMAITRE R. 2004. — The discovery of two new species of *Lithopagurus* Provenzano, 1968 (Crustacea, Decapoda, Anomura, Paguroidea, Paguridae) and the first records of the genus in the western Pacific. *Zoosystema* 26 (3): 483-494.

Les "*Crosnier's cronies*" : par la fenêtre du grenier

MACPHERSON E., LEMAITRE R., RICHER DE FORGES B. & MANNING R. B. 1998. — Les "*Crosnier's cronies*" : par la fenêtre du grenier / *Crosnier's cronies and their view from the attic window*, in MACPHERSON E., LEMAITRE R., RICHER DE FORGES B. & MANNING R. B. (eds), *Papers in honour of Alain Crosnier*. *Zoosystema* 20 (2): 139-141.
