The new species *Aristea farafangana* Goldblatt & Phillipson, sp. nov. (Iridaceae) from Madagascar, biogeographic notes on *Aristea* Aiton in Madagascar and a revised key to the genus

GOLDBLATT P., PHILLIPSON P. B. & MANNING J. C. 2013. — The new species *Aristea farafangana* Goldblatt & Phillipson, sp. nov. (Iridaceae) from Madagascar, biogeographic notes on *Aristea* Aiton in Madagascar and a revised key to the genus. *Adansonia* 35 (1): 47-53. <https://doi.org/10.5252/a2013n1a4>

A new native family and new endemic species for the flora of New Caledonia: *Patersonia neocaledonica* sp. nov. (Iridaceae, Patersonioideae), from the Mount Humboldt massif

GOLDBLATT P., MANNING J. C., MUNZINGER J. & LOWRY II P. P. 2011. — A new native family and new endemic species for the flora of New Caledonia: *Patersonia neocaledonica* sp. nov. (Iridaceae, Patersonioideae), from the Mount Humboldt massif. *Adansonia* 33 (2): 201-208. <https://doi.org/10.5252/a2011n2a4>

Pollination mechanisms in the African genus *Moraea* (Iridaceae, Iridoideae): floral divergence and adaptation for pollinators

GOLDBLATT P., BERNHARDT P. & MANNING J. C. 2005. — Pollination mechanisms in the African genus *Moraea* (Iridaceae, Iridoideae): floral divergence and adaptation for pollinators. *Adansonia* 27 (1): 21-46.

Evidence of bird pollination in Iridaceae of southern Africa

GOLDBLATT P., MANNING J. C. & BERNHARDT P. 1999. — Evidence of bird pollination in Iridaceae of southern Africa. *Adansonia* 21 (1): 25-40.

Floral biology of *Romulea* (Iridaceae: Crocoideae): a progression from a generalist to a specialist pollination system

GOLDBLATT P., BERNHARDT P. & MANNING J. C. 2002. — Floral biology of *Romulea* (Iridaceae: Crocoideae): a progression from a generalist to a specialist pollination system. *Adansonia* 24 (2): 243-262.

A synoptic review of *Romulea* (Iridaceae: Crocoideae) in sub-Saharan Africa, including new species, biological notes, and a new infrageneric classification

MANNING J. C. & GOLDBLATT P. 2001. — A synoptic review of *Romulea* (Iridaceae: Crocoideae) in sub-Saharan Africa, including new species, biological notes, and a new infrageneric classification. *Adansonia* 23 (1): 59-108.

Adaptive radiation of pollination mechanisms in *Sparaxis* (Iridaceae: Ixioidae)

GOLDBLATT P., MANNING J. C. & BERNHARDT P. 2000. — Adaptive radiation of pollination mechanisms in *Sparaxis* (Iridaceae: Ixioidae). *Adansonia* 22 (1): 57-70.
