Review of the millipede genus *Plusioglyphiulus* Silvestri, 1923, with descriptions of new species from Southeast Asia (Diplopoda, Spirostreptida, Cambalopsidae)

GOLOVATCH S. I., GEOFFROY J.-J., MAURIÈS J.-P. & VAN DEN SPIEGEL D. 2009. — Review of the millipede genus *Plusioglyphiulus* Silvestri, 1923, with descriptions of new species from Southeast Asia (Diplopoda, Spirostreptida, Cambalopsidae). *Zoosystema* 31 (1): 71-116. <https://doi.org/10.5252/z2009n1a5>

Review of the millipede genus *Glyphiulus* Gervais, 1847, with descriptions of new species from Southeast Asia (Diplopoda, Spirostreptida, Cambalopsidae). Part 2: the *javanicus*-group

GOLOVATCH S. I., GEOFFROY J.-J., MAURIÈS J.-P. & VAN DEN SPIEGEL D. 2007. — Review of the millipede genus *Glyphiulus* Gervais, 1847, with descriptions of new species from Southeast Asia (Diplopoda, Spirostreptida, Cambalopsidae). Part 2: the *javanicus*-group. *Zoosystema* 29 (3): 417-456.

Review of the millipede genus *Glyphiulus* Gervais, 1847, with descriptions of new species from Southeast Asia (Diplopoda, Spirostreptida, Cambalopsidae). Part 1: the *granulatus*-group

GOLOVATCH S. I., GEOFFROY J.-J., MAURIÈS J.-P. & VAN DEN SPIEGEL D. 2007. — Review of the millipede genus *Glyphiulus* Gervais, 1847, with descriptions of new species from Southeast Asia (Diplopoda, Spirostreptida, Cambalopsidae). Part 1: the *granulatus*-group. *Zoosystema* 29 (1): 7-49.

Review of the millipede genus *Hyleoglomeris* Verhoeff, 1910 (Diplopoda, Glomerida, Glomeridae), with descriptions of new species from caves in Southeast Asia

GOLOVATCH S. I., GEOFFROY J.-J. & MAURIÈS J.-P. 2006. — Review of the millipede genus *Hyleoglomeris* Verhoeff, 1910 (Diplopoda, Glomerida, Glomeridae), with descriptions of new species from caves in Southeast Asia. *Zoosystema* 28 (4): 887-915.

Four new Chordeumatida (Diplopoda) from caves in China

GOLOVATCH S. I., GEOFFROY J.-J. & MAURIÈS J.-P. 2006. — Four new Chordeumatida (Diplopoda) from caves in China. *Zoosystema* 28 (1): 75-92.

Two new species of *Anamastigona* from Cyprus and an updated key to species of the genus (Diplopoda: Chordeumatida: Anthroleucosomatidae)

VAGALINSKI B. & GOLOVATCH S. I. 2016. — Two new species of *Anamastigona* from Cyprus and an updated key to species of the genus (Diplopoda: Chordeumatida: Anthroleucosomatidae). *European Journal of Taxonomy* 2016 (227): 1-19 (EJT-227). <https://doi.org/10.5852/ejt.2016.227>

The millipede genus *Tylopus* Jeekel, 1968 (Diplopoda, Polydesmida, Paradoxosomatidae), with a key and descriptions of eight new species from Indochina

GOLOVATCH S. I. & PANHA S. 2016. — The millipede genus *Tylopus* Jeekel, 1968 (Diplopoda, Polydesmida, Paradoxosomatidae), with a key and descriptions of eight new species from Indochina. *European Journal of Taxonomy* 2016 (195): 1-47 (EJT-195). <https://doi.org/10.5852/ejt.2016.195>

Two new species, including one representing a new genus, of the West African millipede family Campodesmidae (Diplopoda: Polydesmida)

VANDENSPIEGEL D., GOLOVATCH S. I. & NZOKO FIEMAPONG A. R. 2015. — Two new species, including one representing a new genus, of the West African millipede family Campodesmidae (Diplopoda: Polydesmida). *European Journal of Taxonomy* 2015 (139): 1-11 (EJT-139). <https://doi.org/10.5852/ejt.2015.139>

On type material and the identity of several *lulus* species described by

On type material and the identity of several *Iulus* species described by Paul Gervais, in the collection of the Muséum national d'Histoire naturelle in Paris (Diplopoda, Spirostreptida, Spirobolida)

MAURIÈS J.-P., GOLOVATCH S. I. & HOFFMAN R. L. 2001. — On type material and the identity of several *Iulus* species described by Paul Gervais, in the collection of the Muséum national d'Histoire naturelle in Paris (Diplopoda, Spirostreptida, Spirobolida). *Zoosystema* 23 (3): 579-589.

The millipedes of Albania: recent data, new taxa; systematical, nomenclatorial and faunistical review (Myriapoda, Diplopoda)

MAURIÈS J.-P., GOLOVATCH S. I. & STOEV P. 1997. — The millipedes of Albania: recent data, new taxa; systematical, nomenclatorial and faunistical review (Myriapoda, Diplopoda). *Zoosystema* 19 (2&3): 255-292.
