Partial articulated specimen of the Early Devonian putative chondrichthyan *Polymerolepis whitei* Karatajūtė-Talimaa, 1968, with an anal fin spine

HANKE G. F., WILSON M. V. H. & SAURETTE F. J. 2013. — Partial articulated specimen of the Early Devonian putative chondrichthyan *Polymerolepis whitei* Karatajūtė-Talimaa, 1968, with an anal fin spine. *Geodiversitas* 35 (3): 529-543. <https://doi.org/10.5252/g2013n3a2>

A re-examination of *Lupopsyrus pygmaeus* Bernacsek & Dineley, 1977 (Pisces, Acanthodii)

HANKE G. F. & DAVIS S. P. 2012. — A re-examination of *Lupopsyrus pygmaeus* Bernacsek & Dineley, 1977 (Pisces, Acanthodii). *Geodiversitas* 34 (3): 469-487. <https://doi.org/10.5252/g2012n3a1>

Redescription of the acanthodian *Gladiobranthus probaton* Bernacsek & Dineley, 1977, and comments on diplacanthid relationships

HANKE G. F. & DAVIS S. P. 2008. — Redescription of the acanthodian *Gladiobranthus probaton* Bernacsek & Dineley, 1977, and comments on diplacanthid relationships. *Geodiversitas* 30 (2): 303-330.

***Promesacanthus eppleri* n. gen., n. sp., a mesacanthid (Acanthodii, Acanthodiformes) from the Lower Devonian of northern Canada**

HANKE G. F. 2008. — *Promesacanthus eppleri* n. gen., n. sp., a mesacanthid (Acanthodii, Acanthodiformes) from the Lower Devonian of northern Canada. *Geodiversitas* 30 (2): 287-302.
