#### False teeth: conodont-vertebrate phylogenetic relationships revisited

TURNER S., BURROW C. J., SCHULTZE H.-P., BLIECK A. R. M., REIF W.-E., REXROAD C. B., BULTYNCK P. & NOWLAN G. S. 2010. — False teeth: conodont-vertebrate phylogenetic relationships revisited. *Geodiversitas* 32 (4): 545-594. <https://doi.org/10.5252/g2010n4a1>

---

#### Early Devonian fishes from coastal De Long Strait, central Chukotka, Arctic Russia

MARK-KURIK E., BLIECK A. R. M., BURROW C. J. & TURNER S. 2013. — Early Devonian fishes from coastal De Long Strait, central Chukotka, Arctic Russia. *Geodiversitas* 35 (3): 545-578. <https://doi.org/10.5252/g2013n3a3>

---

#### First East Gondwanan record of *Strepsodus* (Sarcopterygii, Rhizodontida) from the Lower Carboniferous Ducabrook Formation, central Queensland, Australia

JOHANSON Z., TURNER S. & WARREN A. 2000. — First East Gondwanan record of *Strepsodus* (Sarcopterygii, Rhizodontida) from the Lower Carboniferous Ducabrook Formation, central Queensland, Australia. *Geodiversitas* 22 (2): 161-169.

---

#### Vertebrate microfauna from the Devonian/Carboniferous boundary stratotype at La Serre, Montagne Noire (Hérault, France)

DERYCKE C., BLIECK A. R. M. & TURNER S. 1995. — Vertebrate microfauna from the Devonian/Carboniferous boundary stratotype at La Serre, Montagne Noire (Hérault, France). *Bulletin du Muséum national d'Histoire naturelle, 4ème série – section C – Sciences de la Terre, Paléontologie, Géologie, Minéralogie* 17 (1-4): 461-485.
