Novel fungal taxa from the arid Middle East introduced prior to the year 1940. III. Anamorphic Fungi - Coelomycetes

MOUCHACCA J. 2009. — Novel fungal taxa from the arid Middle East introduced prior to the year 1940. III. Anamorphic Fungi - Coelomycetes. *Cryptogamie, Mycologie* 30 (4): 377-403.

Novel fungal taxa from the arid Middle East introduced prior to the year 1940. II - Anamorphic Fungi: Hyphomycetes

MOUCHACCA J. 2009. — Novel fungal taxa from the arid Middle East introduced prior to the year 1940. II - Anamorphic Fungi: Hyphomycetes. *Cryptogamie, Mycologie* 30 (2): 199-222.

Novel fungal taxa from the arid Middle East introduced prior to the year 1940. I - Non lichenized Ascomycetes

MOUCHACCA J. 2008. — Novel fungal taxa from the arid Middle East introduced prior to the year 1940. I - Non lichenized Ascomycetes. *Cryptogamie, Mycologie* 29 (4): 365-388.

Heat-tolerant fungi and applied research: On the taxonomic position of some overlooked thermophilic fungi

MOUCHACCA J. 2007. — Heat-tolerant fungi and applied research: On the taxonomic position of some overlooked thermophilic fungi. *Cryptogamie, Mycologie* 28 (3): 215-223.

Heat-tolerant fungi and applied research : more data on pseudothermophilic taxa

MOUCHACCA J. 2007. — Heat-tolerant fungi and applied research : more data on pseudothermophilic taxa. *Cryptogamie, Mycologie* 28 (2): 91-106.

Novel fungal taxa from the arid Middle East (1940-2000) : omissions from previous notes

MOUCHACCA J. 2004. — Novel fungal taxa from the arid Middle East (1940-2000) : omissions from previous notes. *Cryptogamie, Mycologie* 25 (2): 149-171.

A selection of bibliography on the biodiversity and phytopathology of African fungi (- 1994)

MOUCHACCA J. 2003. — A selection of bibliography on the biodiversity and phytopathology of African fungi (- 1994). *Cryptogamie, Mycologie* 24 (3): 213-263.
