

Erratum

Erratum à l'article / Erratum to the article: *Recovery of the Triassic land flora from the end-Permian life crisis*

Léa Grauvogel-Stamm, Sidney R. Ash

Ecole et Observatoire des Sciences de la Terre-Geologie, Universite Louis Pasteur, 1, rue Blessig, 67084 Strasbourg cedex, France

Available online 03 March 2006

Some misprints slipped into the article by Léa Grauvogel-Stamm and Sidney Ash, entitled *Recovery of the Triassic land flora from the end-Permian life crisis*, C. R. Palevol 4 (2005) 593–608 (not 525–540).

We apologize to our readers for these mistakes.

- **Page 593 (not 525), abstract, line 6:** read *the subsequent florae* instead of *the subsequent*.
- **Pages 594 (not 526), right column, § 2, lines 2–3:** read *and since that process is one of the major extrinsic abiotic stresses that have influenced terrestrial vegetation...* instead of *and since it is one of the major extrinsic abiotic stress having modified the terrestrial vegetation...*
- **Page 595 (not 527), left column, line 32:** read *if the palaeotemperature gradient was well developed while Siberia...* instead of *if the palaeotemperature gradient that was developed since Siberia...*
- **Page 595 (not 527), left column, § 3, line 6:** read *many authors, have...* instead of *many believes, have...*
- **Page 595 (not 527), right column, line 20:** read *also proved to be interesting...* instead of *also revealed interesting...*
- **Page 597 (not 529), right column, line 26:** read *recovery had progressed* instead of *recovery progressed*.
- **Page 599 (not 531), right column, lines 10–11:** read *taxon in the formation is Voltzia followed by Equisetites...* instead of *taxon of the formation is Voltzia and then Equisetites...*
- **Page 600 (not 532), right column, line 6:** read *fact that it contains many...* instead of *fact that contains many...*
- **Page 601 (not 533), left column, § 3.2.4, line 9:** read *were very instructive...* instead of *revealed very instructive...*
- **Page 601 (not 533), right column, line 6:** read *the early Middle Triassic florae...* instead of *the early Middle Jurassic florae...*
- **Page 602 (not 534), right column, line 6:** read *to resemble the flora in the upper part...* instead of *to resemble the upper part...*
- **Page 603 (not 535), right column, lines 1–2:** read *and Eoginkgoites are present...* instead of *and Eoginkgoites are present...*
- **Page 604 (not 536), left column, § 3.3.4.1, line 20:** read *recovery was well advanced...* instead of *recovery is well advanced...*
- **Page 605 (not 537), left column, line 2:** read *most of the progress occurred during...* instead of *most of the progresses occurred during...*
- **Page 605 (not 537), left column, lines 3–4:** read *Indeed, progress in diversification of the land flora is far more marked...* instead of *Indeed, the progresses in diversification of the land flora are far much marked...*
