**Objective of the journal:** the *Comptes rendus Palevol* are open to all scientists, whatever their title or nationality. An article published in the *Comptes rendus* is the first report of an important discovery or a significant result. It benefits from a fast publication schedule once it has been definitively accepted, which makes it possible to establish priority.

**Editorial director:** Catherine Bréchinac

**Editor-in-chief:** Michel Laurin, Philippe Taquet

**Editorial committee:**

Micropalaeontology: Danièle Grosheny  
Vendian/Cambrian fauna (basal Metazoa) or Early Life: Emmanuelle Javaux
