

COMPTES RENDUS PALEVOL

Volume 18 (2019) – No. 6 – September

Cover illustration: Entelodon aff. E. gobiensis from the late Eocene of Krabi, Thailand. A–D. TF 2695, left P3 in buccal (A), occlusal (B and C), and lingual (D) views. E–H. TF2694, left P4 in distal (E), occlusal (F and G), and mesial (H) views. The scale bar equals 1 cm. For further details, see : Ducrocq, S., et al., 2019. First record of Entelodontidae (Mammalia, Artiodactyla) from the late Eocene of Southeast Asia. C. R. Palevol 18, 186–190.

Illustration de couverture : Entelodon aff. E. gobiensis de l'Éocène supérieur de Krabi, Thaïlande. A–D. TF 2695, P3 gauche en vues buccale (A), occlusale (B et C) et linguale (D). E–H. TF 2694, P4 gauche en vues distale (E), occlusale (F et G) et mésiale (H). La barre d'échelle représente 1 cm. Pour de plus amples détails, voir : Ducrocq, S., et al., 2019. First record of Entelodontidae (Mammalia, Artiodactyla) from the late Eocene of Southeast Asia. C. R. Palevol 18, 186–190.

General Palaeontology, Systematics, and Evolution / *Paléontologie générale, systématique et évolution*

(Invertebrate Paleontology / *Paléontologie des Invertébrés*)

- A new genus of myrmicine ant (Hymenoptera: Formicidae) from Eocene Baltic amber
Cédric Chény, Bo Wang, Vincent Perrichot 589

(Vertebrate Paleontology / *Paléontologie des Vertébrés*)

- The first skull of *Anthropornis grandis* (Aves, Sphenisciformes) associated with postcranial elements
Carolina Acosta Hospitaleche, Nadia Haidr, Ariana Paulina-Carabajal, Marcelo Reguero 599
- Fossil Giraffidae (Mammalia, Artiodactyla) from the early Turolian of Kavakdere (Central Anatolia, Turkey)
Alexandros Xafis, Serdar Mayda, Friðgeir Grímsson, Doris Nagel, Tanju Kaya, Kazım Halaçlar 619
- Re-assessment of the Oligocene genera *Prosotherium* and *Propachyrucos* (Hegetotheriidae, Notoungulata)
Federico Damián Seoane, Esperanza Cerdeño, Hayley Singleton 643
