Article initially published on 9th, September 2026; corrigendum published on 17th, September 2026

CORRIGENDUM

- p. 173, the family name was misspelled and has been corrected here;
- p. 174, in the Figure 1 caption, it should read “Inflorescences of a plant of *Pseudoscabiosa limonifolia* growing at Marettimo Island. Credit: A. La Rosa.”;
- p. 175, in the Figure 3, four dots correspond to the populations *Pseudoscabiosa limonifolia* (Vahl) Devesa were missing. Figure 3 have been reproduced here, with correct dots;
- p. 176, Figure 5 has been reproduced here in better quality.

CORRIGENDUM

- p. 173, la famille a été mal orthographiée et est ici corrigée ici ;
- p. 174, dans la légende de la Figure 1, il faut lire « Inflorescences of a plant of *Pseudoscabiosa limonifolia* growing at Marettimo Island. Credit: A. La Rosa. » ;
- p. 175, dans la Figure 3, quatre points correspondant à la distribution de *Pseudoscabiosa limonifolia* (Vahl) Devesa sont manquants. La Figure 3 est reproduite ici, avec les points correspondants ;
- p. 176, la Figure 5 est reproduite ici en meilleure qualité.

SYSTEMATICS

Family DIPSACACEAE Juss.
Genus *Pseudoscabiosa* L.

Pseudoscabiosa limonifolia (Vahl) Devesa
(Figs 1-7)

Lagascalia 12: 220 (Devesa 1984). — *Scabiosa limonifolia* Vahl, *Symbolae Botanicae* 2: 27 (Vahl 1791). — *Asterocephalus limonifolius* (Vahl) Sprengel, *Systema Vegetabilium*, ed. 16, 1: 380 (Sprengel 1825). — *Trochocephalus limonifolius* (Vahl) Holub, *Folia Geobotanica et Phytotaxonomica Bohemoslovacica* 12: 307 (Holub 1977).

TYPE SPECIMENS. — **Italy** • Sicily; *Scabiosa cophanensis* fruticans, caerulea, Laureolæ fol. crasso, rotundo, lucido, molli, subtus incano H. Cathol. 196 / R. Hist. 3. 238 n° 53" / *Herbier de Vaillant*; s.d., *F. Cupani*, s.n; lectotype: P[P02714969]!, **here designated** (Fig. 6); isolectotype: OXF[Herb. Sher-0558!] (Fig. 7).
